

## RISK DISCLOSURE STATEMENTS

The following statements are intended to reveal to the Customer the potential risk in respect of the trading on the financial markets. The Customer should be aware of potential loss regarding to this risk. The notice does not disclose all of the risks and other significant aspects of trading.

Under Margin Trading conditions even small market movements may have great impact on Customer trading account as we deal with the effect of leverage. The Customer is responsible for all his/her risks, financial resources he/she uses and for the chosen trading strategy.

It is highly recommended to place Stop Loss orders to limit potential losses.

Some of the instruments are traded within wide intraday ranges of price movements so the Customer must carefully consider that there is a high probability to have a loss not only to make a profit.

The Customer shall be responsible for the risks of financial losses caused by the failure of information, communication, electronic and other systems.

The Customer shall agree that trading via the client terminal MRC-Meta Trader 4 assumes the possibility of financial losses, which can be caused by:

- a) the failure of hardware, software and internet connection;
- b) the improper operation of Customer equipment;
- c) the wrong settings in the client terminal;

The Customer acknowledges that at the moment of peak load there may be some difficulties in getting telephone communication with the duty operator, especially on the fast market (for example, when key economic indicators are released).

The Customer acknowledges that under abnormal market conditions the interim during which the instructions are executed may be extended.

The Customer shall accept the risk of making unplanned transactions in case he/she sends another instruction before getting the result from the previously sent instruction.

The Customer shall accept the risk of any financial losses caused by the fact that he/she has received with delay or has not received at all any notice from the Dealer.

The Customer shall acknowledge that the unencrypted information transmitted by e-mail is not protected from any unauthorized access.

The Customer is wholly responsible for the privacy of the information received from the Dealer and accepts the risk of any financial losses caused by the unauthorized access of the third party to Customer trading account.

In case of force major the Customer shall accept the risk of financial losses.
